Planning News – Lewes District Local Plan Consultation

The second round of consultation on the Local Plan – "Defining our policies and early site allocation proposals", which is part of the process toward the emerging Lewes District Local Plan - started on 6th January 2025 giving us another opportunity to express our opinions. The Parish Council would urge all residents to look at these proposals and respond to Lewes District Council before the deadline as a matter of urgency. The local plan can be found via the link below, where you can also find a recording of an online webinar and Q&A session which took place on Tuesday 14th January 2025….
