Ringmer Parish Council Newsletter - January 2024

The Parish Council would like to wish all residents a happy and prosperous New Year

Christmas Tree

The Parish Council would like to thank The Anchor for providing the Christmas tree and lights on the Village Green.

Community Police Report

There have been instances where a person claiming to be a gas engineer has called without an appointment and asked to see the gas meter. Please remember to always ask for an authentic identification badge and if in any doubt don't let them into your home and phone the police on 101.

Improving the Natural Environment in Ringmer

Work continues in The Almond Field with the removal of the diseased ash trees which was delayed due to the November storms.

Consultations

There are two current consultations that the Parish Council will be responding to and we would invite you to complete the surveys as individual residents of Ringmer. The consultation on the Lewes Local Plan is probably most important as the plan will show areas identified for housing development and we are aware of how Ringmer is a target.

Lewes Local Plan - Consultation closes on 08/02/2024

https://planningpolicyconsult.lewes-eastbourne.gov.uk

ESCC Local Transport Plan 4 - Consultation closes 25/02/2024

https://consultation.eastsussex.gov.uk/economy-transport-environment/local-transport-plan-4-2024-2050/

Skatepark Update

The work on the new skatepark is set to start on 28th February 2024 and is expected to take around 12 weeks to complete.

Swimming Pool Update

No further information this month, the anticipated opening of the pool is set for late Spring 2024.

Village Gateway Signs

The Parish Council is planning to install village gateway signs, similar to those seen when you enter Laughton for example, at Paygate Corner, Laughton Road, the Broyle and Ham Lane.
