Ringmer Parish Council Newsletter – March 2023

Parish Council Elections May 2023

Would you like to be actively involved with the decision making about some of the issues that affect our village?
Have you the time, commitment, energy and interest in helping the Parish Council improve the village for all of our residents?
All 13 seats on Ringmer Parish Council are up for election on Thursday 4th May and now is the time to start the process for putting yourself forward for election.

Nomination Packs are available by contacting the Parish Council:

King Charles III's Coronation, 6th May 2023

Planning continues for the village celebration of the coronation. While the details are still being worked the outline of the day is taking shape. The coronation will be screened in the Village Hall for those residents wishing to attend. Afternoon activities on the Village Green will take place between 2pm and 6pm and the celebrations will conclude with a Barn Dance in the Village Hall at 7.30.
Many village groups are involved in planning and organising the activities, but if there are other groups that we would like to be involved, please contact the Parish Council who are co-ordinating the planning of the events. Similarly, any individual resident who would like to be involved, please contact the Parish Council.

Planning News

Once again there has been developments surrounding large scale planning applications affecting the village. The application to build houses on the land between Chamberlaines Lane and the Laughton Road has been rejected following an appeal. Planning applications by Ashill Regen, Boklok, Thakeham and Gleesons are being appealed after rejection by the Parish Council and Lewes District Council.

HGVs through Ringmer

Following a prolonged campaign by our District Councillors, our MP has written to East Sussex County Council asking them to declassify the B2192 as a HGV route. Sha has also written to both Lewes District Council and Wealdon District Council to requesting that they place conditions on planning applications around the Lewes and Uckfield areas for larger sites to restrict site vehicles from using the B2192 as a route and insist that they use the A22 and A26 instead.

Swimming Pool

A budget has been agreed by Lewes District Council who are keen to see the swimming pool come back into use. They are in negotiations with East Sussex County Council and await their update.
