Ringmer Parish Council Newsletter - September 2024

Skatepark Update

Construction work has taken place through August and we are anticipating that when you read this Newsletter the skatepark will be open.

Swimming Pool Update

We are pleased to report that the final lease documents are with ESCC for completion and that preparatory work to allow the pool to open will soon be taking place.

Village Amenities

A new dual purpose bin has been ordered to be installed at the westbound bus stop on Laughton Road.

There are vacant allotment plots at the Parish Council allotment site next to the sub-station on the Lewes Road. If you are interested in renting an allotment please contact the office: admin@ringmerparishcouncil.gov.uk.

Improving the Natural Environment in Ringmer

Work has continued throughout the summer on the Almond Field, maintaining the paths, planting different varieties of native wildflowers and clearing unwanted bramble and blackthorn. There has been a delay in delivering the two benches as the manufacturers had problems sourcing the oak timber. We anticipate that the benches will be in place this month. We are pleased to report that residents are visiting the site and enjoying the peaceful atmosphere, wildflowers and numerous butterflies and other invertebrates.

Wildflower Ringmer have been busy cutting and clearing the wildflower areas on the Village Green. The summer has seen colourful displays on the Green, in the Wheel House and around the Memorial Bench.

Work on rejuvenating the Jubilee Gardens beds will resume later in the year when planting is more practical. Volunteers are always welcome to help, if you are interested please contact the Clerk.

Parish Council

We have 3 vacancies for any residents who may be interested in becoming a Parish Councillor. Younger residents of the village are particularly underrepresented on the council. Please contact the Clerk for more information.
