### 12.1 Bin review

We finally have confirmation re bin emptying costs.

Each Red Dog Bin (there are 2 on the Green) is charged at £6.00 per collection – collected x3 per week, so £18 per bin per week.

All other bins on the Green (7 - litter/dual/yellow) are charged at £1.75 per bin per collection – collected x2 per week, so £3.50 per week per bin.

The 2 bins at Fingerpost field are charged at £1.75 each per collection – collected x2 per week – collective cost of £7.00 per week.

If we replaced each Red Dog Bin with a Dual Bin, we would save £754 per annum per bin.

We have received the following suggestions:

## **12.5 Fields House**

Tony has cleared the hedge where the path will be sited. JW to produce a spec for the pathway works.

We have received a £10,000 legacy from the estate which is to assist with any costs relating to access, any further works and future maintenance.

### **12.8 ii) Queen's Jubilee Tree**

This has been planted in the Jubilee Gardens. A virtual plaque has been applied for and office working on acquiring a physical plaque. Our thanks go to Goldcliff Garden Centre for kindly donating a Prunus Accolade, compost, stake, tree tie and a sachet of rooting powder.

### **12.8 iii) Queen's Memorial Tree**

A Prunus Autumnalis – has little white flowers which are in bloom from late autumn to early spring. Goldcliff Garden Centre are offering one at a 20% discount so it will cost £36.00. Suggest it goes behind the bench by the War Memorial.

## **13.3 Moving the existing noticeboard from the Village Green to Bishops Lane**

The noticeboard has been moved from the Village Green to the entrance of the path into Bishops Lane.

## **13.4 Update on getting LDC to remove and replace noticeboard outside Fingerpost Field playground**

We have not heard back from LDC.
