

## **Clerk's Report Office and Finance Meeting 21<sup>st</sup> September 2023**

7.3 The current CIL balance is £492,805.85 with an unallocated sum of £239,878.19

Possible Considerations:

At the last Full Council meeting Cllr Duke advised that there would need to be funds available for the Almond Field.

The Village Plan has potential ideas around revamping the precinct.

9.1 This year's insurance premium is £4508.24. "Officials and Trustees indemnity" has been reduced from £720k to £500k to allow for the spending on the skatepark and Fingerpost Field park. Last year's premium was £4468.84.

9.2 After our recent tree survey, we have actioned the work that needed to be undertaken urgently (1-3 months at a cost of £810.00). Quotes now presented for the next phase (3-12 months). There is a sum budgeted for tree work and hedge-cutting this year of £5200 for the Green.
