

IMPORTANT ROADWORKS INFORMATION

2 January 2025

Ringmer Road, Ringmer

Dear Resident / Business owner,

Balfour Beatty is working in partnership with East Sussex County Council to manage the highways service across East Sussex. As part of this, we will be carrying out drainage investigations on Ringmer Road, Ringmer.

Once completed, these works will aid any further carriageway works.

When do they start?

Work will be carried out between **Monday 3 February 2025** and **Saturday 15 February 2025** between 8pm and 4am.

We will inform you of any changes to the dates or times via advanced warning signs on site.

What are we doing?

These works involve CCTV surveys of the underground drainage system. We will also be using high pressured water to clear the pipework.

How will this impact highway users?

The team will be working between the A26 and New Road.

The road will remain open with temporary traffic lights in place for the duration of the works. These will be removed outside of the hours specified above.

If you need vehicle access, please discuss this with the team on site. Please bear in mind there will be delays whilst the area is made safe and your vehicle is escorted by site marshalls. Access for emergency vehicles will be maintained at all times.

Information for residents and businesses

Parking: If required, we will put out 'no parking' signs and cones on the site to advise where parking is restricted. Please avoid parking in these locations as it will delay our works.

Weather: All of these works are subject to favourable weather conditions, for example heavy rain may affect the progress of the works.

Properties close to the carriageway may experience a temporary disturbance as this can be a noisy process and those properties may experience flashing lights and reversing sirens.

We would like to take this opportunity to apologise in advance for any inconvenience or disruption this work may cause, however this forms part of our continuing improvement for the East Sussex

highway network. Should you have any concerns regarding these works, you can contact us at eshcomms@balfourbeatty.com.

For information on roadworks and journey planning, visit [One.Network](#). Please follow us on X (formerly Twitter) [@escicroads](#) or Facebook [@EastSussexHighways](#) for updates. If you would like to know more about East Sussex Highways and what we do, please visit our website www.eastsussexhighways.com.

Thank you,

East Sussex Highways
