

Uckfield Road, Ringmer Carriageway improvements

We will soon be improving the texture and grip of the road by shot blasting the surface. Following unsuitable weather conditions, these works were postponed on **27 January 2026**.

🚧 Works will now take place on **Monday 23 March 2026** between 7pm - 6am.

We will be working between Ham Lane and 50 metres east of Ham Lane. The road will remain open, with temporary traffic lights in place for the duration of the works.

Should you need access, please approach the closure point and speak to the site team. This is for access only and there will be no through route. There may be a short delay while we make it safe for you to pass, and your vehicle will be escorted by site marshals.

Access for emergency vehicles will be maintained at all times.

Thank you for your patience while we carry out these improvements

How will you be affected?

Buses: Any affected bus services have been informed and will be diverted.

Noise: Properties close to the carriageway may notice some noise, flashing lights, or reversing sirens. We will do our best to keep this to a minimum.

Parking: 'No parking' cones will show where parking is restricted. Please avoid parking here as it will delay us.

Weather: All works are subject to weather conditions. If it rains or is too hot, it may affect progress.
