(Response by 26/08/26) RESOLVED: Parish Council decision: No comment.	
11.4	LW/26/0342 - 46 Sadlers Way. BN8 5HG Demolition of the existing rear-side conservatory and replacement with a single-storey rear-side extension; alterations to fenestration on the rear-side elevation; erection of a two-storey infill extension between the existing dwelling and detached garage; and first-floor extension to the existing garage to provide additional habitable accommodation. (Response by 07/08/26) extn requested. RESOLVED: Parish Council decision: Objects. The proposal fails to comply with RNHP 8.3 on adequate off-road parking, as residential extensions should not reduce parking provision below the required level. Removing the garage would reduce the number of accepted parking spaces. The rear element would also overlook the neighbouring property at 48 from the rear bedroom and ensuite bathroom, given its position less than one metre from the boundary. In addition, the roofline should be genuinely subservient to that of the main dwelling.	
11.5	LW/26/0359/CD - Land North of Lewes Road Discharge of Condition 19 (Sustainability) in relation to approval of LW/25/0411 (Response by not available). RESOLVED: Parish Council decision: It was noted that the footnote on the report refers to 'Land North of Shaw Lane, Carlton'. Parish Council would advocate for all properties to be fitted with photovoltaic panels and dual air-source heat pump systems capable of providing both heating and cooling plus grey water recycling systems.	
11.6	The following planning application was considered because of response-time constraints LW/26/0362 – Ivydene, Vicarage Way.
