RINGMER
Parish Council

Ringmer Parish Council Newsletter – December 2026

Ringmer Neighbourhood Plan

The first draft of the revised and updated Ringmer Neighbourhood plan will be available for residents to read and make their comments during a 6 week consultation period that will begin on **Monday 30th November 2026**. The draft plan and consultation document will be available on our website + hard copies will be placed in the Library and the Parish Rooms

Shopping Precinct

You will have noticed the work taking place during the last few weeks. The refurbished precinct area will be formally opened on Saturday 5th December at 1pm

Village Green – Christmas Tree

Parish Council are once again funding a 20' Christmas tree with lights on the Village Green.

Village Speed Indicating Device

The SID's are scheduled to be installed early this month and will hopefully encourage drivers to stick to the 30mph speed limit through the village.

Supporting the Natural Environment in Ringmer

The Parish Council will be testing the 'River Truth' website for a trial period. The website gives live data on the performance of the Neaves Lane Water Treatment Works recording the frequency and duration of sewage spills. Details are available on our website for residents to access the data.

The wildflower beds in the Wheel House and behind the Memorial Bench on the Village Green have been cleared and sown with a cornfield seed mixture ready to provide a colourful, pollinator friendly display in 2027. More planting of native wild flowers has occurred on the Village Green and on the Sadlers Way wildflower areas.

Eventually the colder weather will descend upon us so please support our bird populations by putting out seeds and other types of wild bird foods.

Parish Council would like to wish all Ringmer, their families and friends a peaceful Christmas
